The specification has been amended to correct the type at page 14, line 4 pursuant to the Examiner's comments.

The claims 1, 2, 10, and 11 have been amended in order that the language of the claims is consistent with the description in the specification substituting the term "thickness" in place of the word "depth" in accordance with the Examiner's recommendations.

Applicant does not believe any additional fees are due, but will charge same to Counsel's deposit account upon receiving notice of same from the Examiner.
